HAIR DRUG TESTING TRAINING CERTIFICATE

Includes two awards:

Psychomedics Corporation Certificate of Completion *Hair Drug Testing*

Licence to Perform Hair Drug Testing in Australia and New Zealand

This training is offered by AWDTS as either a stand-alone course, or as part of HLTPAT005 *Collect specimens for drugs of abuse testing*. Successful completion allows for licensing of each student to perform collection for hair follicle drug testing and access to our accredited laboratory facilities for testing and results.

Possession of a Statement of Attainment for successful completion of HLTPAT304D *Collect pathology specimens other than blood* and HLTPAT410D *Collect pathology specimens other than blood for specialised testing* or equivalent is a pre-requisite for competing this course as a component of HLTPAT005 if completed as a stand-alone unit. RPL is available to students who have successfully completed equivalent courses.

This course qualifies the successful student to become a hair drug testing collector. A Certificate of Completion and a Licence to Perform Hair and Fingernails Drug Testing in Australia and New Zealand will be issued to successful students.
