

TESTING SCALE OF FEES

(All prices updated 11 May 2017 quoted exclusive of GST)

Clinic Testing

AWDTS charges a per test rate for urine or oral fluids single tests conducted at our clinics, with rates varying upon number of tests required.

On-site Testing

AWDTS on-site testing rates vary depending upon test numbers and time required for testing, and are negotiable.

Mentoring of your newly trained staff in the conduct of testing is available at an hourly rate with a minimum rate of two hours charged.

AWDTS has collectors in Brisbane, Gold and Sunshine Coasts and in many major QLD Regional centres with travelling expenses charged from the nearest available collector location. AWDTS also operates a national network of collection centres in all State capitals, and major regional centres.

Urine Testing

AWDTS utilises the MicroScreen 6-panel urine cup manufactured in the US using AS/NZS4308:2008 cut-offs (validation to Australian Standards certificate available) incorporating a 5-panel adulteration test. The MicroScreen is the preferred choice of many of Australia's top laboratories.

Oral Fluids Testing

AWDTS utilizes the Branan Oratect 5-panel oral fluids cassette device manufactured in the U.S. and meeting AS4760:2006 requirements. A 6-panel device is also available. The Branan is the only FDA-approved device for workplace testing in the US.

Pre-Employment Testing

Pre-Employment drug and alcohol testing is conducted at our clinics by appointment. Rates commence at \$85.00 with results usually available within 10 minutes.

Hair Testing

Hair testing sample collection is conducted at our Brisbane and Gold Coast clinics by appointment. Costs may vary upon requirements with a range of up to 24 drugs of abuse tested at our preferred forensic laboratory. Results are available at around 4-6 weeks.

Alcohol Testing

If alcohol testing is usually carried out at the same time as drug testing at no additional charge. Alcohol testing in the absence of drug testing incurs a negotiable hourly rate with a minimum of 2 hours testing per collector.

Surface Testing

Surface testing may be conducted on a variety of materials including residential and office walls, floors, furniture and fittings, motor vehicles, clothing, syringes and sharps. Swabs are taken at site and tested at our Gold Coast clinic. Results are usually available same day for an initial test. Initial testing charges vary, and confirmatory testing may be available for an additional fee as below.

Laboratory Confirmation

AWDTS has arrangements in place for workplace and forensic testing laboratory services for any required confirmations. Laboratory results are generally available within 2/3 working days. Fees are available upon request.

Accommodation, Meals, Travelling, Expenses and Training Venues

All travel, meals, accommodation and venue expenses are not included in the above prices.

Travelling costs of \$0.75 per km by motor vehicle are applicable for testing outside of a radius of 25km of the centre of the nearest capital city or regional centre. Should testing be required not accessible in a timely manner from such capital city or regional centre we would greatly appreciate if you arrange bookings on our behalf for accommodation, air fares, meals, car hire, etc. Alternately, AWDTS can make suitable arrangements and invoice at cost + 10%.

Travel/waiting time is billed at \$180.00 per hour, \$700.00 per half day and \$1,300.00 per day per presenter. Travel time is billed for time required to travel to and from site outside of the normal working/training day.

All AWDTS collectors hold ASQA-approved alcohol and drug testing qualifications, and all testing is conducted exclusively by NATA-accredited laboratories.
